- Roll Put-up: Standard size 54"x150ft.

### **Applications:**

Vehicle Wrapping Film for a wide variety of Vehicles, Fleet and Transit applications.

### **Handling and Finishing:**

Avoid touching material or introducing dust and dirt on to print face. This can cause anomalies and artifacts when printed. Always store unused material wound tight in original packaging. Product can be used with or without lamination.

**Printing:** Suggested Media Setting, Use Custom Profile or Select Generic Premium Cast Vinyl. Depending on printing platform, inks and RIP software; the suggested maximum ink load is up to 400%. Make sure that ink is dry when it reaches the take-up reel. An external dryer or heat lamp will accelerate drying.
